

HEAD, COMMERCIAL HOUSEKEEPING

RESPONSIBILITIES

- Lead in the Business Development and expansion of UEMS's market share in commercial housekeeping
- Lead and direct the daily operations of existing housekeeping services at the different facilities, and ensure effective supervision standards are in place
- Drive and assume overall leadership for start-up mobilisation of new housekeeping projects
- Actively recruit relevant personnel to fill manpower gaps and ensure orientation and training of new staff
- Achieve P&L and service KPIs in accordance with company's requirements
- Develop and maintain strong and positive working relationship with all customers
- Propose and implement projects for continuous improvement of operations at site

REQUIREMENTS

- Minimum Diploma or equivalent with at least 10 years of relevant working experience in leading a big team of housekeeping staff
- Established track record in securing new housekeeping contracts and effective mobilisation of these projects
- Strong financial acumen to expand the business in commercial housekeeping in line with revenue and profitability KPIs
- Sound leadership, organisational, interpersonal and communication skills
- Motivated self-starter and strong team player
- Strong working knowledge of housekeeping processes and procedures
